Medix Ambulances Broadens Dealer Network to Better Serve Midwest EMS and Fire Departments

Everest Emergency Vehicles Expands Medix's Reach, Delivering Top-Notch Service to First Responders in Minnesota and North Dakota.

December 5, 2024 – ELKHART, INDIANA: Medix Specialty Vehicles, a leader in manufacturing dependable Type I, Type II, and Type III ambulances, is expanding its dealer network with Everest Emergency Vehicles, now the authorized Medix Ambulances dealer for Minnesota and North Dakota. First responders will have greater access to high-value and well-designed ambulances to optimize their emergency services by adding Everest Emergency Vehicles to the Medix family of dealers.

“The addition of Medix Ambulances to our lineup is an exciting opportunity to meet the diverse needs of our customers,” said Bob Haselman, President of Everest Emergency Vehicles. “Medix offers a perfect balance of quality, consistency, and speed to market, providing departments with an economical solution that doesn’t compromise reliability or quality. Their competitive lead times ensure that agencies can quickly add these ambulances to their fleets, keeping their operations ready to respond when it matters most.”

Everest Emergency Vehicles, a family-owned and operated company since 1999, brings a wealth of experience to the emergency vehicle market. With over 100 years of combined expertise across its dedicated staff, sales team, and service department, Everest Emergency Vehicles has built a reputation for exceeding customer expectations.

The new partnership between Medix Ambulances and Everest Emergency Vehicles brings significant benefits to emergency service providers in Minnesota and North Dakota. Customers in the region will now have full access to Medix’s robust product lineup of ambulances. Medix Ambulances is known for its unwavering dedication to ensuring first responders have what they need, when they need it. With Everest Emergency Vehicles’ industry-leading service and expertise, Fire/EMS professionals can expect a seamless experience, from sales to service, backed by a team dedicated to their success.

“With their strong relationships and deep understanding of their market needs, Everest Emergency Vehicles is the ideal partner to help Medix Ambulances expand into Minnesota and North Dakota,” said Rob Eichorst, Vice President of Sales for Medix Specialty Vehicles. “This partnership reflects our shared commitment to providing effective solutions for first responders, ensuring they have access to the tools they need to serve their communities efficiently. Together, we’re building a stronger foundation to support those who protect and save lives every day.”
